Dear Colleague,

It is with great pleasure that we invite you to

the **Profil ELT Conference**

at the *Milenij Grand Hotel 4 opatijska cvijeta* in Opatija from 10 a.m.

Saturday 14th March, 2009.

Spend an exciting day exchanging ideas with the authors of Profil's English language series for elementary schools **Building Blocks / Building Bridges** and special guests – communication skills trainer **Nikša Sviličić**, and one of the most prominent teacher trainers from the UK, **Paul Davis**.

Reserve your place at yet another memorable Profil event. We have prepared a host of fun activities for all attendees – interactive plenary sessions, presentations, quizzes and games. And that's not all – a fabulous goodie bag awaits every participant.

Finally, there is the unmissable **end-of-BB-series party** with the special guest performance by **Massimo**.

We are looking forward to seeing you in Opatija!

Yours,
