

MIRAGE PREMIUM EDITION FOR EPSON

MIRAGE PREMIUM EDITION
FOR EPSON

Now you can enjoy printing without complex printer drivers. Mirage is a professional print plug-in for Adobe® CS3 and CS4 Photoshop and InDesign and is available for the latest Epson Stylus Pro printers*1.

Work faster and more efficiently with the most advanced professional plug-in for Adobe® CS3 and CS4 Photoshop and InDesign. Mirage makes things simple by giving you all the features, tools and settings you need in one well-arranged layout. Just push the print button and start printing in seconds.

Enjoy support for all the colour modes you work with, even if there are mixed modes like RGB and CMYK in one document. Save time and paper and enjoy unlimited print length – if Photoshop® or InDesign® can handle the file then Mirage can print it.

Use the enclosed voucher to download a copy of Mirage absolutely free. Once you have downloaded your copy, you are also entitled to free software upgrade's until version 1.5.

- Fast and simple to use
- Saves time and money
- Supports all colour modes
- Absolutely no length limitation
- Supports USB and TCP/IP connection
- Compatible with Apple OSX, Windows XP and Vista 32 and 64 bit

Mirage and Adobe® InDesign®
